

# Adding the Aurora portal to your phone's home screen

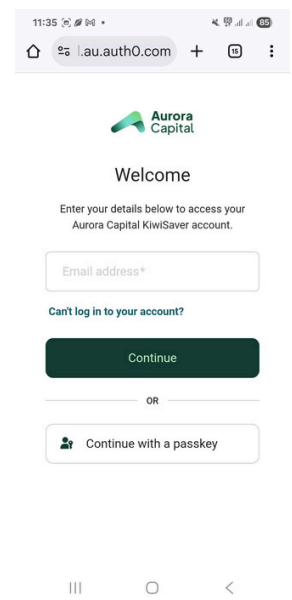

Head to [my.aurora.co.nz](https://my.aurora.co.nz) on your phone.

- Apple iOS: Use Safari

## Apple iOS

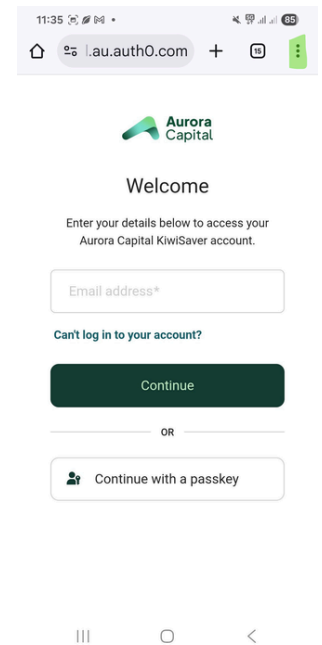

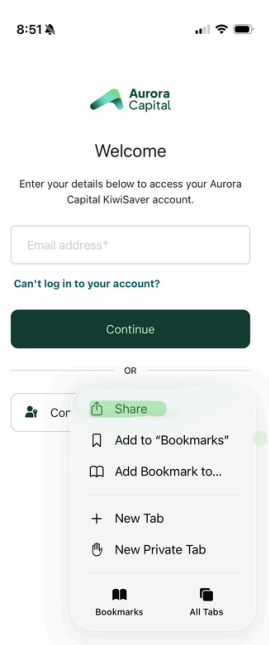

## Android

Click the three dots:

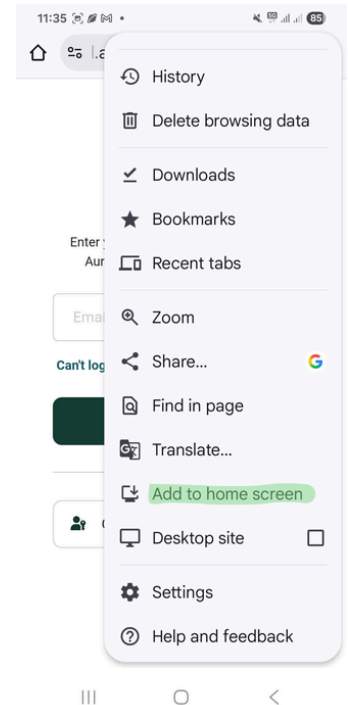

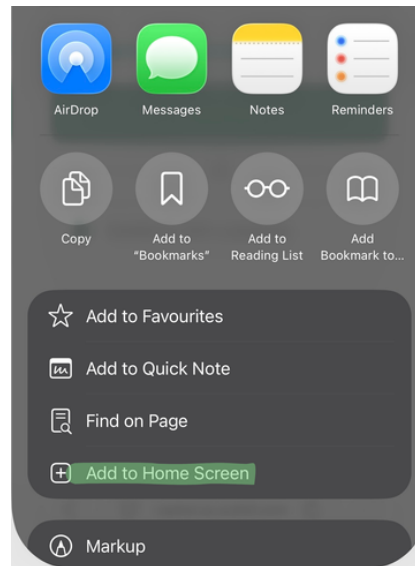

- Apple iOS: In the bottom right of the screen, a pop up will appear, and select share.
- Android: In the top right of the screen.

## Apple iOS

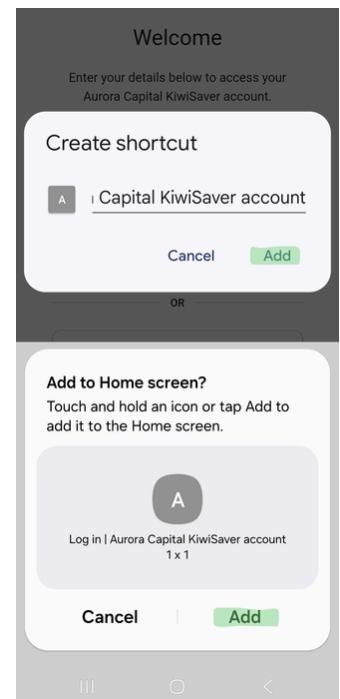

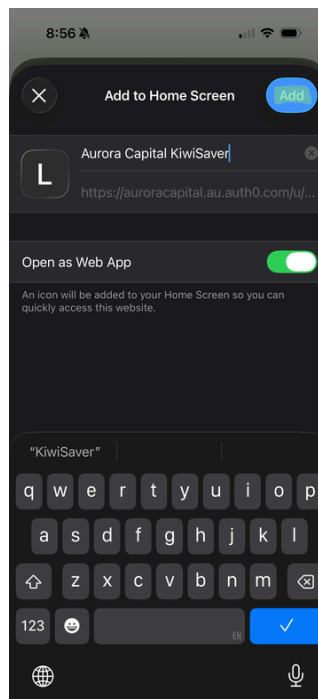

## Android

Select 'Add to home screen'.

A pop up will appear:

- Apple iOS: You have the option to amend the name of the shortcut, then click add in the top right corner.
- Android: You have the option to amend the name of the shortcut, then click add in bottom right corner, and then click add again.

Head to your phone home screen. You'll now have the portal appear on your home screen. You can then click on the icon to access the portal with ease.
